## EUSD Administrator Receives Honors Monday Night

Ms. Jennifer Platt, Cavitt Junior High School Principal in the Eureka Union School District, was honored Monday night by the Placer County Charter of the Association of California School Administrators at their annual recognition event. Ms. Platt was recognized as the Middle School Principal of the Year. Only one principal from all 16 school districts in the county receives this annual recognition.

Ms. Platt first came to the Eureka Union School District as Principal of Maidu Elementary School, before becoming the site leader at Cavitt Junior High School in 2009.

All of the other principals and assistant principals from the Eureka Union School District were on hand for the award, in addition to Superintendent Tom Janis and many other central office administrators. The award was a surprise to all of the recipients but not to a select handful of family and friends who waited in a back room until the names were announced. When all the winners' names were announced, those family members and friends brought flowers and hugs to the winners.

"I was thrilled to be on hand to witness this award for Jennifer Platt," said EUSD Trustee Renee Nash, who attended with the event. "Being recognized by your peers is always special and Jennifer certainly deserves this recognition. I know I speak for the entire board when I say congratulations to Jennifer. Like everyone in the Eureka Union School District, she is totally committed to serving the needs of children."
